

# ALBATROSS

a love story for our time  
from the heart of the Pacific

a film by chris jordan

## FILM SCREENING AT MOMU

**DATE:** Wed, May 2

**TIME:** 13.00 -16.00

**LOCATION:** Auditorium (020)  
at the Moesgård Museum

**ALL WELCOME**

On a remote atoll in the North Pacific Ocean, albatross chicks are dying, bodies filled with plastic. ALBATROSS shows the horror and grief of this tragedy to bring us to a deeply felt experience of beauty and love for life. Stepping outside of traditional documentary film style, ALBATROSS offers a profound message of reverence and renewal.
